## URBAN TRAIL SERIES

## RACE ROUTE

The route will be fully marshalled, signed and flagged.

We always spend a lot of time diligently marking out course' however on occasion these markings do get removed by dog walkers and locals (this happened on our last event Washington Trail 10k, prompting last minute emergency course re-marking) so please make yourself familiar with the online route map.

### Special Mention :

**The four areas that have caused runners to go past route markings and off trail in the past are :-**

**1:** Turning down to River after wildfowl park.

After you have ran through the wildfowl carpark and past the wildfowl park itself you will run approx. 300yds up the main path/trail. Before the path bear left there is a turning down to the river which is the official race route. There should be a marshal and signs pointing the way. But please keep your eyes peeled.

**2:** The Bottom of Offerton Steps. Ensure when running along the south riverside after approx. 2.5 / 9 miles when the A19 flyover comes into view you, you take the right turning up the steps before the White House.

**3:** The Top of the Offerton Steps. Ensure when you get to the top of the steps (your legs are still working) you take a left turn, you will then be greeted by the well-earned CP 50 yds along the path.

**4:** After you have been to the Offerton CP and ran up to Offerton Village, please carry through the village, until the signage points you down the track down from the village itself. There should be a marshal on the day, but please be alert for signs in this area.

**There will be marshals and signs, but navigation of the course remains the responsibility of the runner.**

## CHECKPOINTS

### Half Marathon:

There are two checkpoint locations, one of which you will pass twice during the event, at 2.5 and 7 miles located on the north side of the river at Cox Green.

The final CP at 9 miles located at the top of Offerton Steps before the climb to Offerton Village. Both CPs will have water and sweets.

The finish will have water, jelly sweets and coke.

### FIRST AID

First Aid cover at the event is being provided by AED Medical.

There will be First Aid responders and Paramedic located at the event finish on top of Penshaw monument should anyone require first aid / medical assistance at the event.

Should you get into difficulty on the course please alert another runner or marshal who will be able to pass on any information and alert us for help.

## FINAL WORD
