ALAN LONGSTAFF

The 2025 race is dedicated to Alan. He is an ex work colleague and friend that lost his life last year. He did several of our races and used to live just round the corner from me.

We will be donating £250 to a charity of Alan's family choosing. Please share a thought for friends and family of Alan and also to please remember Dave Walls who was a regular helper at our races over the years who passed away this week.

A quote from Alan's mum Gill.

`We are thrilled the run is being done in Alan's memory. We have happy memories of him doing the run just before he became ill in 2022. It was the last race he did, running with his sister while his daughter waited for him at the finishing line. She told her teacher he had won the race - he wished he had! We miss Alan immensely and are very proud of all he accomplished in his life`

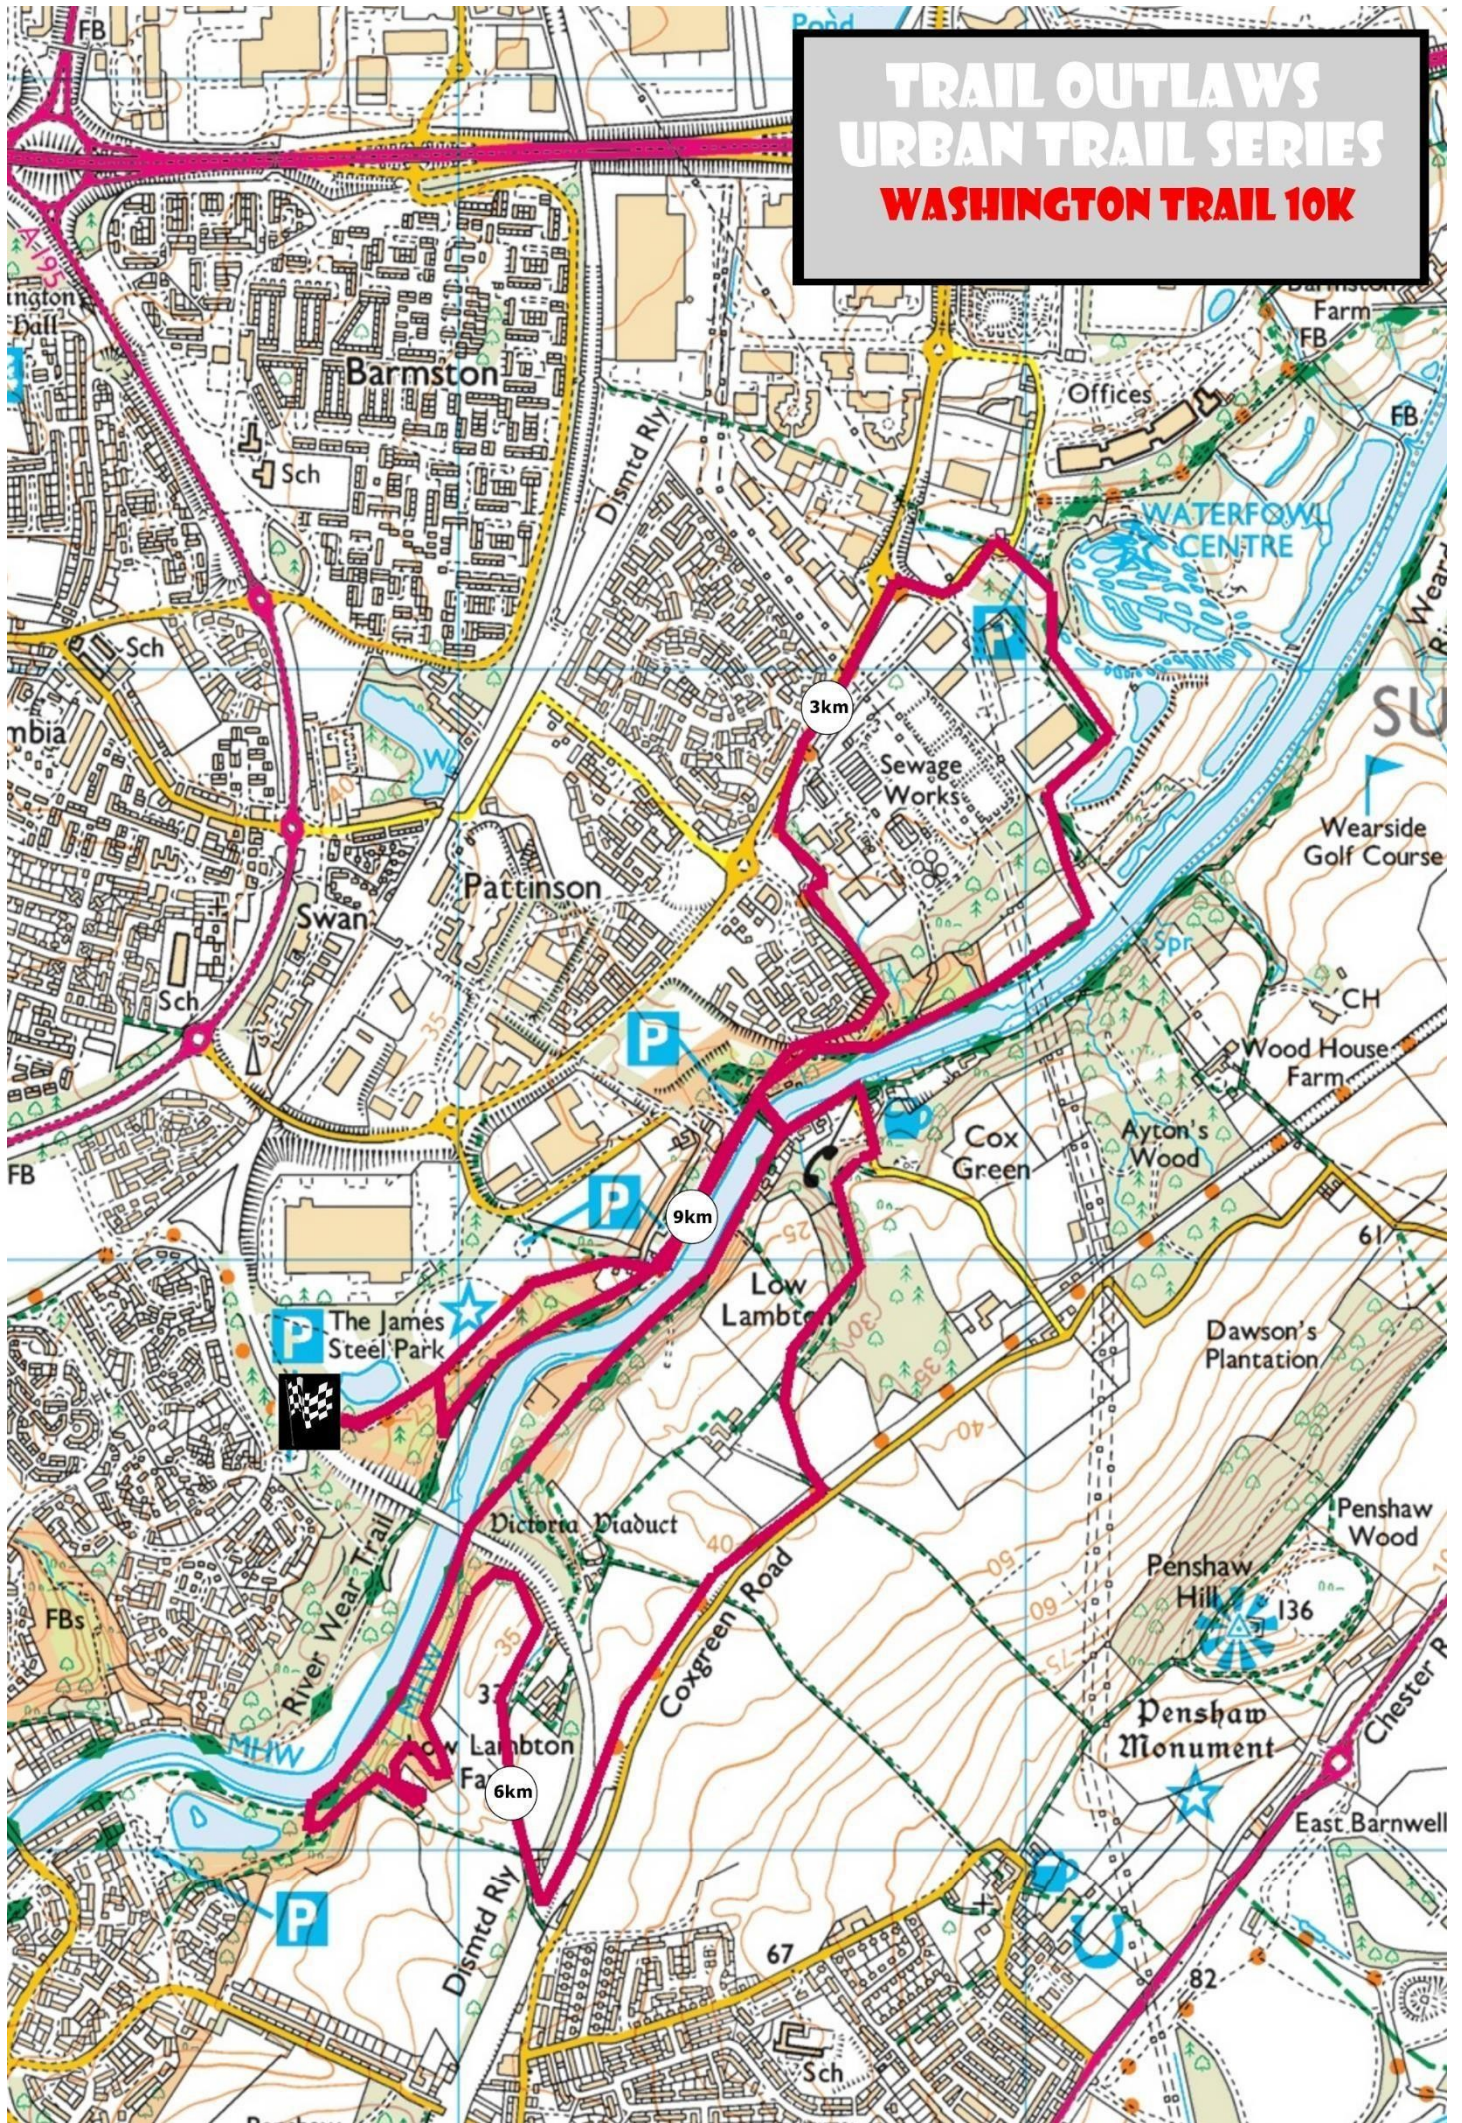

FINAL WORD

Have a great time, run with a smile on your face and we are sure you will agree, trail running is the best kind of running 😊
